Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicants hereby notify the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 A & B (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith, except for the following: U.S. patents and/or U.S. patent publications; and co-pending non-provisional U.S. applications filed after June 30, 2003.

The present Information Disclosure Statement is being filed: (1) No later than three months from the application's filing date; (2) Before the mailing date of the first Office Action on the merits (whichever is later); or (3) Before the mailing date of the first Office Action after filing a request for

continued examination (RCE) under §1.114, and therefore, no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicants enclose herewith a copy of an official letter issued against the corresponding German Patent Application No. 103 92 959.2, citing such documents, together with an English-language translation of the official letter indicating the degree of relevance found by the German Patent Office. Applicants point out that the official letter also cites JP 2001-20047. Applicants cited this document in the Information Disclosure Statement filed on January 12, 2005. The official letter constitutes a further concise statement of relevance for this document.

In further compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicants submit the following explanations:

JP-B-8-32356 is cited in the first full paragraph on page 3 of the specification. The published patent application of the cited Japanese reference, JP 64-015253, was previously cited in the Information Disclosure Statement filed on January 12, 2005. Applicants enclose an English-language Patent Abstracts of Japan as a further concise statement of relevance for these two documents.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.
